Subject: Counsel Recommendations

Mike-

Below (v-cards attached) are recommendations for Energy M&A / Corporate counsel as well as local counsel. I'm assuming there are going to be an usually high number of conflicted parties so I've included 4 potential candidates. As you know, David Kurzweil from L&W worked on SJRPP. He's regarded as the best in the industry so it may be good to start with David and his team. That being indicated, these are exception firms that would do a great job for JEA. I've included local counsel which may be worth considering given the circumstances and peculiarities of FL sunshine law. Let us know if you have any questions or want to discuss.

Thanks ,
jason
