Ryan,

I had a discussion with a couple of attorneys at NP yesterday. Is there a time this afternoon when you can be available to discuss further?

Thanks,

Barry

[EXTERNAL E-MAIL]

Barry,

I wanted to follow up on our discussion from last week. Did you get a chance to identify anyone internally who could help us design to LTIP?

Thanks,
Ryan

Florida has a very broad Public Records Law. Virtually all written communications to or from State and Local Officials and employees are public records available to the public and media upon request. Any email sent to or from JEA's system may be considered a public record and subject to disclosure under Florida's Public Records Laws. Any information deemed confidential and exempt from Florida's Public Records Laws should be clearly marked. Under Florida law, e-mail addresses are public records. If you do not want your e-mail address released in response to a public-records request, do not send electronic mail to this entity. Instead, contact JEA by phone or in writing.
