Re: JEA Long Term Performance Unit Plan (the "Plan")

Mr. Gabriel:

This letter pertains to the Plan approved by the JEA Board of Directors ("Board") by Resolution 2019-10 on July 23, 2019. The stated purpose of the Plan is to provide a means by which employees of JEA may be incentivized to: (i) remain at JEA, (ii) drive value for customers, (iii) drive value for the community of Northeast Florida, (iv) drive environmental value, and (v) drive financial value for JEA and the City of Jacksonville. The Board developed the Plan out of a desire to develop a long-term incentive program, in line with market standards, that furthered the Board's total compensation policy approved in January 2019. The Board reviewed the Plan framework as recommended by a third party compensation consultant, Willis Towers Watson, in June 2019. Finally, the Board adopted the Plan in July 2019 and instructed JEA executive leadership to work with the Chair of the Compensation Committees ("Plan Administrator") to implement the Plan.

This letter is to inform you that JEA leadership, in consultation with the Chair of the Board ("Chair"), the Plan Administrator and OGC, has decided to postpone indefinitely the implementation of the Plan.

As you are aware, JEA executive leadership has been diligently working to implement the Plan with the Office of General Counsel ("OGC"), Pillsbury Winthrop Shaw Pittman, LLP, Foley Lardner LLP, and relevant state and local bodies. Given the long-term nature of the Plan and the Plan obligations, JEA leadership wanted to ensure all employment, corporate, ethics, tax, and other related matters associated with the Plan were in accordance with applicable statutes and regulations. To that end, JEA greatly appreciates the deliberate, methodical and meticulous work of OGC and all of its advisors.

The decision to not implement the Plan is based in the incongruity of the Plan's long-term nature and the very real potential short-term implications of the JEA's strategic planning process. As such, the Chair, Plan Administrator and JEA leadership believe the Plan would be best implemented, if ever, post decision on the strategic direction of JEA as determined by the Board.

JEA0471

Accordingly, the Board is expected to recommend one of the following five options as a strategic direction for JEA:

- 1) Scenario #1: Status Quo Plan;
- 2) Scenario #2: Traditional Utility Response Plan;
- 3) Scenario #3: Community Ownership Plan;
- 4) Scenario #4: Initial Public Offering (IPO) Plan; or,
- 5) Scenario #5: Strategic Alternative from ITN 127-19.

Should the Board choose Scenarios 3, 4, or 5 the Plan would be moot from a long-term incentive basis. Should the Board choose Scenario 1 or 2, the Plan has a more appropriate role in driving employee behavior to increase customer, community, environmental and ultimately financial value of JEA.

Please accept this letter as a final decision on this matter until further notice. As always, JEA, and specifically the Plan Administrator, welcomes OGC input and advice on how to appropriately administer the Plan absent a full implementation with its employees.

Sincerely:

Aaron F. Zahn
Managing Director & Chief Executive Officer
