## Jaguar Invitation List for Dec. 8th

To Susie Wiles <susanswiles@msn.com> • Marty Fiorentino <tmf@thefiorentinogroup.com> • SE Mousa <semousa@comcast.net> • paul\_harden@bellsouth.net <paul\_harden@bellsouth.net> Copy Cathy Chambers <cathy.chambers@fpl.com> • Thomas Bean <thomas.bean@fpl.com>

All,

Thank you for the help with the Jags game this past Sunday. Pam asked that we get a jump on the 12/8 invites as we started things a little late for the last game and several of our invitees were already committed to another suite.

I have started a stakeholder list and plan on starting the email invitation process tomorrow. Our target is to have at least six external stakeholders attend, so based on our previous experience, we need an initial list of at least 15 individuals (currently we have seven). If you have any thoughts on who else should be included please let me know.

Myself or Cathy Chambers plan on sending the invites, but if you are close to any one of these stakeholders and feel it more appropriate to personally invite them, please feel free to do so. This may be helpful as we may get a better response, especially if we don't already have an existing relationship. Please just make sure I'm aware so I can manage the invitation list and we don't over-commit our invitations.

Also, I assuming that Marty, Susie, and Sam will all be attending and will need a ticket and suite pass and that Paul will attend, but will not need a ticket. Please let me know if my assumptions are not correct or if anyone else on your team will be joining.

For FPL, Pam, Cathy, Thomas, and myself will all be attending the game on 12/8.

Thanks again,  
Jim
