Good morning Carla,

As a supplement to your records, Jason and I spoke to Herschel Vineyard yesterday evening and he confirmed that JEA will give you access to all information and documents related to the ITN for all negotiation meetings. This includes notes, transcripts, and other documents available to the IG and that are necessary for you to adequately prepare for an ITN meeting. As we discussed, you may need to sign additional acknowledgements regarding the confidentiality of the ITN information and other statutorily protected information (e.g., trade secrets).

Please reach out to either JEA designated procurement representative for assistance with obtaining information.

If you have any issues this week or otherwise, please do not hesitate to call me or Jason.

Thank you so much,

Lawsikia
