Daniel,

Thank you for the call this afternoon. I'm grateful and excited to assist FP&L with their endeavors.

As requested, please find attached a completed W-9 that includes my company name, address, FEIN, etc. Let me know if you need anything other to contract for my services.

I understood the contract would include a monthly retainer of \$7,500 plus other terms and conditions you asked me to review upon receipt. In addition, I understood we would review and discuss a success fee structure at a later time.

Again, thank you very much for the call. Looking forward to working with you.
