Subject: Terminated Employee - Sam Mousa

Pope, Jordan Alan,

The network account for Sam Mousa, employee #105592, will be disabled on Jul 26, 2019. If you require access to their email or home folders, please to submit a help desk ticket assigned to Information Security. Include in the ticket the terminated user's full name, employee number and note that you need access to this user's home folders and email because their employment has ended. After access is granted, you will have one week to review/copy any files or email.

Please do not reply to this email since this is an unmonitored email account.

Thank You

The Identity Manager Team
