Hi all –

I've attached a first draft of a possible statement for April Green to give to City Council members next week on the pension legislation. I understand timing may change based on yesterday's council meeting, but please let me know if you have any feedback for this statement.

Kerri: Let me know if you would like to review first before sending to Sherry or I can send to Sherry directly.

Thanks,
Maddie

April Green statement to City Council re: pension legislation

- Good evening, City Council members.
- Thank you for allowing me to speak to you tonight. My name is April Green and I live at XXX. I am the chairman of JEA's Board of Directors.
- On July 23, JEA's board of directors and I unanimously voted for JEA's senior leadership team to explore any and all options including non-governmental options, that would allow JEA to grow and remain relevant to our customers now and in the future.
- Should a recapitalization event occur, the board of directors and I also approved putting specific measures in place to protect JEA employee's benefits and compensation.
- The pension legislation in front of you was drafted to ensure our employees' hard-earned pension is protected throughout this process.
- I am here tonight on behalf of JEA's board of directors to urge each of you to vote in favor of the pension legislation and help us take care of our employees now and in the future.
- Thank you for your time tonight.
